

**Sustainability** - To meet the needs of the present without compromising the ability of future generations to meet their own needs. (Source: This is the classic definition that first appeared in the Brundtland Commission report, Our Common Future, 1987)

### **Draft Mission Statement**

The mission of the Sustainability Alliance of Wichita Metro Area (WMA) is to promote the sustainability movement in WMA by facilitating collaboration and integrated solutions among individuals and organizations and serving as a resource, a catalyst, and an advocate for sustainability in the Wichita MA.

### **Draft Goals**

Lead WMA to become a sustainable community which preserves and restores its environment, nurtures healthy communities and maintains a vital self-reliant economy for generations to come.

### **Draft Objectives**

While sustainability is broad and holistic, the Alliance's focus is on clean air, energy efficiency, renewable energy development, water use efficiency, waste management, transportation, education, housing, health, safety, etc. within WMA.
