A. **QUALITY OF LIFE FOUNDATION**

VISION: Before 2024 the Wichita MSA will: Be a healthy, safe community that has a vibrant recreation, entertainment and arts focus that embraces diversity and builds pride.

B. **HEALTH CARE STRATEGY: (Strategy A. page. 19) Revised**

Increase the accessibility and quality of healthcare while lowering the cost by:

- a) Promoting disease prevention by encouraging healthy lifestyles, wellness, fitness and education programs. Address tobacco, obesity, drug, alcohol and violence issues.
- b) Improving dental health for all ages.
- c) Promoting and strengthening reduced cost clinics as a substitute for inappropriate emergency room use for indigent health care and promote awareness of these resources. Encouraging physicians and nurses to provide services to the Wichita MSA indigent patients.
- d) Dramatically increasing the use of technology in health records and other support functions.
- e) Advocating for tort reform.
- f) Having comprehensive coordinated health care (including mental, dental and medical) for all people regardless of ability to pay and provide easy access to services.
- g) Establish a communitywide expert committee that advises us on health care costs and quality.
- h) Ensuring the availability and adequate supply of qualified healthcare professionals.
- i) Communicate and promote existing health services
