

Vision Partners  
Adopted the K/12 Mentoring Strategy

**Mentoring K-12 Strategy: (Strategy C. #2 page. 17)**

Expect parents to be involved in their schools and be accountable for the education and behavior of their children. Provide mentoring and education opportunities for parents to fill this role. Help with reading and other homework is a very important parental input. When the parent is unable or unwilling to provide this input the community will provide mentors and tutors from businesses, faith-based institutions, civic clubs, retirees, older students and other organizations. Every student who needs a mentor will have one. The Wichita MSA will be a mentor-focused community with an active center for mentor programming and a positive marketing campaign.
