A. Quality of Life Foundation Vision: Before 2024 the Wichita MSA will:
Be a healthy, safe community that has a vibrant recreation, entertainment and arts focus that embraces diversity and builds pride.

B. Recreation Strategy

Develop and implement a comprehensive master plan for recreation that determines a required level of service for each recreational element. Determine the gap between existing facilities and this level of service and eliminate the gap within 10 years while at the same time providing for annual growth as it occurs. Ensure that all facilities are staffed and maintained for high quality service. Levels of service for each element should ensure that proper consideration is given to age, income level and lifestyle with regional equity. Consideration will also be given to use of these facilities by visitors and tourists to the Wichita MSA and becoming a regional attraction for certain types of activities such as youth baseball, softball, hockey, biking, bowling, football, golf, walking, recreational centers, sporting clays, skating, etc. Implementation of the master plan will be based on meeting the *VISIONEERING WICHITA* Key Benchmarks.
