Visionering Wichita Update

Grants

Visionering is participating in 3 grant applications: Sustainable Communities Planning Grant, HUD Community Challenge Planning Grant, and TIGER II Discretionary Grant. Our participation will involve in-kind services.

2010 City to City Visit

This year an Emerging Leader Scholarship was established to give YPs an opportunity to participate in the City to City trip. Brent Thomas with Ruggles & Bohm, PA and Prisca Barnes with the Kansas African American Museum were awarded the scholarships.

Alliance for Regional Stewardship Organizational Champion Award

Visionering was the recipient of the ACCE Alliance for Regional Stewardship Organizational Champion Award. The Organizational Champion Award recognizes regions and regional alliances for overall excellence and commitment to the principles of regional stewardship: innovative economy, livable communities, social inclusion, and a collaborative style of governance.

2011 Unified Legislative Agenda

The Unified Legislative Agenda Alliance is preparing to meet. The previous year's agenda items will be asked to resubmit. It is not expected anything new will be added and possibly some items may be removed.

Health Alliance Update

August 27th the Health Alliance launched the Community Health Priorities. This was the result of 3 forums. The leadership team worked with the forum results and best practices to develop the document. It will be our community's guide for the coming years. Sonja Armbruster, Sedgwick County, provided an overview of the document.
